Chief, London Bureau

24 February 1949

Chief, FBIB

Commendation of FBIB service.

1. Copy of a memorandum from Mr. Bloomfield, Asst. Executive Officer, United Nations Affairs, Dept. of State, is attached for the information of appropriate individuals within the bureau. It is more than the usual expression of "thank you", since it spells out in precise terms how our product, properly directed and prepared, can contribute to the efforts of US representatives abroad who are charged with the direction of our foreign policy.

2. I add my own personal satisfaction for a job well done.
